

JUN JIANG

Engineers the world with Expertise and Hard Work

- Based in **China Steel Tower Base**, Hebei Province, near Beijing.
- Factory Area **66,000 m²**
- **200+** sets of production machines
- Annual capacity of **50,000 tons**
- **11 R&D experts.**
- **200+** skilled workers

Product	Guyed Tower (grounded or rooftop)
Height	As per request
Material	GB Q235B(A36), 50*4-60*4 or equivalent
Basic Wind speed	180km/h_3 second gust or as per design
Antenna Type	GSM, RRU,CDMA, MW etc.
Antenna load	As per request
Surface treatment	Hot dip galvanized/Painting/Spray
Dsign standard	GB / ANSI / TIA-222-G
Welding Standard	AWSD1.1
Color	As per request
Anti-seismic Grade	8
Nuts and Bolts	Gr 6.8 and 8.8
Service life	30/50 years
